MIPS SUCCESS PROGRAM

Our healthcare experts have helped over 300+ practices meet and exceed MIPS requirements. We offer a variety of options to guide you on your path or provide a white glove full service.

Includes:

- Dedicated MIPS Expert
- Personalized client support through phone, email, and screen sharing
- QPP eligibility checks
- MIPS Kickoff call
- EHR, registry, and QPP coordination
- Ongoing workflow education and documentation optimization
- Strategic measure selection and reporting guidance
- Measure audits and performance gap reviews
- MIPS Value Pathways (MVPs) implementation support
- MIPS data submission on your behalf
- Hardship and EUC filing assistance, when applicable
- Audit support and eBinder preparation

Optional Add-Ons:

- **Prior Year Submission** - Depending on when you start with us, we may be able to provide limited support on the prior year MIPS submission.
- **EHR/PM/Registry/TIN Merges & Switches** - If you are transitioning systems or merging practices, we can get the new systems reconnected and synced.
- **ASCQR Reporting** - If you also manage an ASC, we can report your measures for the ASC Quality Reporting program to avoid a -2% payment adjustment.

ASCQR SUCCESS PROGRAM

The Ambulatory Surgical Center Quality Reporting (ASCQR) program is an annual reporting program that, when reported successfully, prevents a -2% payment adjustment on facility payments. Your ASC surgeons will continue to participate in MIPS if required; their payment adjustment doesn't affect the ASC.

Our program helps dozens of facilities meet and exceed ASCQR requirements.

Includes:

- Dedicated ASCQR Expert
- Eligibility checks
- Admin kickoff & training
- HQR setup
- Annual data entry for HQR
- Quarterly monitoring of OAS
CAHPS survey submissions
- Audit support & eBinder

What we need from you:

- Access to HQR - if you aren't familiar with this, your CSM will guide you on getting access.
- ASCQR Measure Data - we will provide an easy-to-use tracking sheet and train you on how to enter the data, or you can provide your own reports.

Call to schedule your **FREE consultation** with a MIPS / ASCQR expert at 803-526-7354 or email us at VBCAdvisors@AnatomyIT.com
